Newsletter for 2019

Hello!!!

Welcome everyone to our 2019 Boise Ranch Women's Association! Everyone on the board is looking forward to the season and doing whatever we can to make it enjoyable for you.

One of our goals is to add new members to the association. We are asking all our existing members to help us make this happen. As an incentive, we are having a contest. Every time you recruit a new member, your name goes into a drawing. The grand prize winner will be pulled at the end of the season and will have their league and green fees paid for them for the 2020 season. If you typically have a pass, we'll use the funds to pay for your tournament entry fees and cart fees. If you recruit multiple new members, your name goes into the drawing for each one. We're going to have an initial drawing at the general meeting on March 20th to kick it off, so start talking to all your golf friends about joining. The prize will be a free round of golf w/cart. Please reach out to any of the board members if you have questions or suggestions. Let's golf!

Erin Davison

My name is Erin Davison and I am your president this year. I am very excited about being part of the board and taking an active role in doing whatever I can to make this an enjoyable year for all our members.

I asked that pictures of the board be included in the newsletter so that you can recognize us and know who to go to with questions or suggestions about any of our events.

We are implementing some new ideas this year. We are having a member drive contest, our first “open” tournament and some suggestions about other golf opportunities at the Ranch.

Please reach out to me if you have any questions during the season. You can usually find me on the deck after league enjoying my favorite beverage.

2019 League Information

Welcome everyone to the 2019 Boise Ranch Women's League. My name is Carolyn Berg and I am the league director. The general meeting is Wednesday March 20th, with registration starting at 6pm. We are still requiring everyone to have an established handicap **BEFORE** league starts Wednesday May 8th. You can get this by being a current IGA member or by joining the IGA and posting (6)18-hole or (12) 9-hole scores if you are a new member this year. Handicaps will need to be established by April 14th. To ensure you get a spot in league please sign up before or at the general meeting. League is a first come, first serve and the deadline to sign up is April 24th.

Subs for League: it will be your responsibility to get a sub (names can be found on the website under sub-list). You must also contact me by the Monday prior to league night as to who your sub is, who they are subbing for, and their current handicap so that I can get the score cards changed with the proper handicap before Wednesday night. Notification by email works best but you can also text me. All subs must have a current IGA card, but they do **not** have to be a BRWA member. I wanted to take this opportunity to thank you for being a part of the BRWA. We, the board, can't do this without you all. Your continued support to all of us is what makes this league so amazing. We appreciate the help you provide at tournaments through your donation of your time, raffle prizes and hole sponsorships. Thank you all again for being a part of the Boise Ranch Women's Association.
